

A **legal entity** refers to an officially recognized institution with legal standing that can independently perform actions such as entering contracts, managing funds, employing staff, and conducting research.

LETS DEBATE!

1. Divide into two groups;
2. Gather with your group;
3. Select a speaker for your group;
4. Decide which side is PRO and CON by having the speakers play rock-paper-scissors;
5. Take 10 minutes to prepare within your group;
6. Conduct a 15-minute debate.

Rules:

1. The **opening speaker from the CON group** has a maximum **2-minute time slot** to present their initial argument.
2. After the initial argument, teams alternate turns, each using a **1-minute time slot to counter** the opposing team's points. This alternating format continues for a total of 13 minutes of discussion.
3. At the end of the discussion, **each speaker has 1 minute to provide a summarization** of their team's arguments, with the CON speaker starting.
4. **All debaters must show respect to their opponents. Personal attacks, interruptions, and rude behavior are not permitted.**

statement:

The establishment of a unified legal entity framework strengthens European alliances and promotes stability, cooperation, and accountability across members.
