OCEANS
Network

OCEANS

OCEANS Annual Conference & Annual General Meeting
11-12 July 2019, Paphos, Cyprus

What is OCEANS?

- A student and alumni network for international exchange programs
- Connects participants of Erasmus+ international credit mobility between the program and Partner country universities
- Free to join, volunteer-run, and supported by the European Commission
- Opportunities:
 - Build professional networks
 - Develop skills and attend global events
 - Receive funding to implement personal projects

Who can become a member of OCEANS?

- 1) You made an academic mobility
 - from an Erasmus+ Programme Country to an Erasmus+ Partner Country,

OR

- from an Erasmus+ Partner Country to an Erasmus+ Programme Country

AND

2) you received Credits for your study during your mobility (so-called international credit mobility ICM)

AND

3) this mobility was financed by Erasmus+

Breakout discussion: Identifying obstacles and solutions

Instructions:

- Form small groups
- Discuss the following questions:
 1. What are the obstacles in accessing study abroad programs in your country?
 2. Do you have positive examples that support international student mobility?
- Each group selects a spokesperson to share insights in the plenary session

Sharing insights: Overcoming obstacles to international mobility

- Group spokespersons present their findings
- Discuss common obstacles and unique insights
- Highlight best practices and solutions from Erasmus+ and other programs

Funded by
the European Union
